

31/1/2018

Dear YQ Reps,

After the success of 'In the Spotlight – Young Quilters' at Festival of Quilts 2016, we have been invited to exhibit again in 2018. The exhibition space has been allocated to us every other year. This is a fantastic opportunity for your YQs to be involved in a national festival exhibition and will showcase their skill and creativity.

Our aim is to involve all Guild regions, so we encourage you all to take part. The dimensions of the exhibition space will be 7m x 5m, and we will do our best to display as many YQ quilts as possible. We are asking each YQ rep to send in a selection of photos of YQ quilts they would like to exhibit. You can contact other YQ group leaders in your region as they may have quilts to suggest. These can be individual or group quilts on any theme and of any dimension. Please include an explanation of the quilt/s theme and technique, plus dimensions. Quilts do not need to be new – this is a chance to show existing quilts that YQs have already made. We have provided a short template to fill in for each possible quilt.

I am sure you will understand we cannot guarantee all quilts will be shown because we have limited space. However we will do our best to show a range from as many regions and age groups as possible and a selection panel will ensure that this is a fair process.

Please email your chosen photos and accompanying information by Friday 4th May to
Rosemary Preece (Exhibitions Officer) at Exhibitions@quiltersguild.org.uk

Chosen quilts will need to be posted to the Quilters Guild offices by Friday 13th July

Quilts will be posted back to you after the festival.

Please get in touch if you have any questions or would like more information.

Best wishes,

Sarah and Rosemary
