

CUPCAKE PINCUSHION

Requirements

7" (18cm) circle of cake fabric

1 ½ "(4cm) red fabric or button for cherry

2" (5cm) square of white felt cut to icing shape

Silicone cupcake case

Method

1. Cut white felt to imitate icing and sew to centre of cake fabric either over sewing or with a small running stitch.
2. Gather round edge of cake fabric starting with a knot **and** a backstitch (to stop knot pulling through when pulled up). Stuff firmly pull tight so gathers meet and fasten off.
3. Do the same with the cherry fabric if using.
4. Ladder stitch cherry to cake
5. Spread glue from hot glue gun (or use UHU) onto cake case and squeeze cake inside. Leave to set.
